Dear Parent/Guardian

Breakfast is known as the most important meal of the day for many reasons. One of the main benefits of breakfast for children is enhanced school performance. Did you know that we offer a variety of hot and cold and hot breakfast options daily in the cafeteria? If you would like to participate in the program, please come see us daily in the cafeteria before homeroom! If you child does not finish breakfast before homeroom, they can take it with them and finish it during homeroom!

Please feel free to call if you have any questions.

Thank you,
